

Table 5.K

Placement of narrative-links and year-terms in the *Book of Mormon*

Each of the 426 narrative-links represented in this Table is categorized first by its linguistic function (preposition, verb, conjunction, participle or adverb) as set forth in Table 5.E: Q = preposition; R = verb; S = conjunction; T = participle; or U = adverb. Second, each narrative-link is categorized by its associated year-term: 1 = express singular *year*; 2 = express plural *years*; or 3 = implied singular *year*. Numbers are used for year-terms to distinguish these categories from combined letter categories. Parentheses have been added to help distinguish each category.
